PUBLIC COMMENT: The Board of Directors welcomes participation in Board meetings. The public may address matters under the jurisdiction of the Board that have not been posted in the Agenda. The public will be given the opportunity to address the Board on any item on the Agenda at this time or before the Board's consideration of that item. The Board reserves the right to consider any item of the agenda in any order. If members of the public desire to address the Board relative to a particular Agenda item at the time it is to be considered, they should so notify the Chairman of the Board at this time. The Chairman may limit the total amount of time allocated for public testimony on particular issues for each individual speaker. Public comments are encouraged.

Please note that there will be brief instruction on the order and method that public comment will be received due to the virtual nature of the meeting. We will do our best to get everyone heard. **Please be sure to mute your telephone during the meeting if you are using the call-in option to minimize interruption.** We thank you in advance for your understanding and cooperation.
